ficers Are Chosen.

[Special to The Times-Dispatch.]
PETERSBURG, Va., January 14.—The Petersburg Chamber of Commerce at its annual meeting to-night received reports from the president, Augustus Wright, and from the Petersburg Investment Corporation, which composes the financial department of the chamber, giving a most gratifying and encouraging summary of the work for the development and advertisement of the city, accomplished by the chamber and the successful financial results of the Investment Corporation, whose report shows total assets amounting to \$63,889.50. Although established only nine months ago, the corporation recently declared a 6 per cent. dividend on its capital stock of \$8,000, and President Wright, in discussing its prospects to-night, expressed the belief that in the coming year it would probably prove itself capable of paying 15 per cent.

In a general discussion of the disbursements of the chamber, remaining from the public subscription for a Jamestown Exposition exhibit of Petersburg's industries and manufactures, raised by the Chamber of Commerce, A. K. Davis moved that the chamber establish an advertising fund, which should be carried with an amendment by Charles Hall Davis, that this fund for the advertisement of the city be expended by a committee under the direction of the board of governors.

Mr. Edwin L. Quarles, secretary of the chamber made a vigorous appeal for constant action and provision of means for the ever important purpose of the advertisement of the city's advantages, especially in the matter of securing new industries, and Mr. Davis, in a speech discussing the things accomplished in the organization's brief existence, emphasized suggestions to hold more frequent meetings, greatly increase the membership and form other business organizations, such as a manufacturers' association, and a wholesale merchants' association, and with the present Retail Merchants' Association, would co-operate with the chamber, the members of which would be eligible to membership in the new associations by the payment of small additional dues. The remarks of Messrs. Davis and Quarles were received with applause, and on motion of Mr. Bartlett Roper, Sr., the meeting voted that Mr. Davis's propositions be embodied in a printed pamphlet to be submitted to the members.

The following officers were elected for this year: President, Charles Hall Davis; First Vice-President, August Wright; Second Vice-President, T. F. Heath; directors including the officers, Bartlett Roper, Sr.; Edward Dugan, Robert Cabaniss, James Weddell, M. C. Jackson and H. C. Jones. A motion by Mr. Robert Cabaniss to adjourn was carried, and the meeting adjourned after a session lasting over three hours.

The praise that comes from thankful Richmond people.

One kidney remedy never fails.

Richmond people rely upon it.

That remedy is Doan's Kidney Pills.

Richmond testimony proves it always reliable.

James Newby, 515 North Mosby Street, Richmond, Va., says: "I suffered for many years from kidney complaint and backache. I had dull pains across my loins, so severe at times as to cause me the most intense suffering. If I attempted to stoop or lift anything sharp twinges would catch me in the small of the back and cause such discomfort. When I rose in the morning my back would be very lame and stiff, and it was only with great effort that I was able to put on my clothing. My kidneys did not perform their functions properly. They were very frequent in action, and I was obliged to get up during the night. The secretions were very dark in color, of an offensive odor, and contained a heavy sediment when allowed to stand. My wife had been cured of a similar complaint by the use of Doan's Kidney Pills, and thinking they might prove of some benefit to me, I procured a box at Owens & Minor Drug Co. I noticed a decided improvement in my condition after using them and a short time continued their use and received a complete cure. I am very glad to state that I have not suffered any recurrence of the trouble since that time."

For sale by all dealers. Price, 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

The Howard-Stewart Wedding.
A beautiful wedding took place at the home of Mr. and Mrs. Robert Stewart, in this city, at 9:30 o'clock this morning, when their daughter, Miss Annie Stewart, became the bride of Mr. Bernard S. Howard, of Danville, Va. The bride, handsomely attired in a suit of tan chiffon broadcloth, with hat and gloves to match, and carrying white carnations, was preceded by her maid of honor and sister, Miss Rosa B. Stewart, and entered the parlors with her father, who gave her away. The ceremony was performed by Rev. J. B. Winn, pastor of the Washington Street Methodist Church.

Mr. Charles A. Flannagan was best man, and the ushers were Mr. Archer Williams and Mr. Richard Kidd. Miss Dodge played the wedding marches. Mr. and Mrs. Howard left for Danville at 10:30 o'clock this morning.

WEPT IN COURT.

Moonshiner Broke Down When Sentence Was Pronounced.
[Special to The Times-Dispatch.]
SUFFOLK, Va., January 14.—The first jail sentence ever imposed in Nansemond county for the illegal manufacture of whiskey was inflicted in the Circuit Court to-day, when Algie H. Butler was fined \$20 and sentenced to thirty days in prison. Butler broke down when the verdict was brought and cried like a child. He denied the charge vigorously. Butler was one of three alleged moonshiners arrested near Holland, William J. Ford was indicted for the same offense. He turned State's evidence against Butler and the indictment was nolle prossed.

Albert Johnson, a negro, to-day was given three years in State's prison for breaking into the residence of Commonwealth's Attorney, now State Senator, J. E. Holland. The crime occurred last summer when Colonel Holland was in the mountains.

SOCIETY'S LIBERAL RESPONSE

Great Interest Shown in Production in Norfolk for Charity.
[Special to The Times-Dispatch.]
NORFOLK, Va., January 14.—Society responded liberally to-night at the Spickardentest for the benefit of the Norfolk Protestant Hospital. The entertainment took place at the Academy of Music, and the theatre was packed with the elite of the entire section. It was a strictly full dress affair. Prominent society women were attired as French waitresses, and they solicited chances, sold programs and served ice cream. A handsome sum was realized. The performance, which was in two parts, and consisted of songs and dances, various poses and other numbers. The participants were well drilled.

The funeral will take place from Union Station. The interment will be in Maplewood Cemetery, this city. The service at the grave will be conducted by Rev. Harry B. Lee, rector of Christ Episcopal Church.

[Special to The Times-Dispatch.]
BOYDTON, Va., January 14.—The supervisors of Mecklenburg, at their last meeting, recommended to Judge Barksdale, Mr. Thomas J. Williams for superintendent of the county poorhouse, and Samuel T. Moore for county surveyor. Judge Barksdale has made a vacation order, appointing both of the gentlemen to their respective positions. Admiral F. W. Dickinson, of the United States Navy, retired, of Washington city, who has been here for a week or two with his wife, on a hunting trip, left for his home yesterday.

A MAYBE BOY ASTRAY.

Mrs. Hensley, of Charlottesville, anxious about her son.
[Special to The Times-Dispatch.]
CHARLOTTESVILLE, Va., January 14.—Mrs. J. H. Hensley, of this city, is anxious to learn the whereabouts of her sixteen-year-old son, who has been missing since last August. The youth was one of those kidnapped by the Rev. Mr. Mayhew, of Richmond, and was bound to London P. Jones, of Burkeville, Va. It is suspected that he became despondent and ran away from Jones. Mrs. Hensley has asked the newspapers to find the boy.

Case Settled Out of Court.

FREDERICKSBURG, Va., January 14.—William E. Merrill, formerly of this city, now of Richmond, was arrested and brought here by Sergeant Chichester, of this city, on complaint of Mrs. Hattie Dillard. After a hearing, Mayor Wallace ruled in the sum of \$1,000 for his appearance for trial January 30, but later the case was settled out of court.

PLENTY OF WORK; NO APPROPRIATION

Norfolk Mechanics Will Urge
Congress to Pass Urgency
Deficiency Bill.

TRY M'BRIDE IN PORTSMOUTH

Government's Exhibits Will
Probably Go to Seattle—Sentenced for House-Breaking.

[Special to The Times-Dispatch.]
NORFOLK, Va., January 14.—The International Association of Machinists, local lodge, No. 411, has petitioned the Norfolk Central Labor Union, the various business bodies of Norfolk and Portsmouth and others, to come to their assistance by appointing a committee to frame and submit a resolution to the present session of Congress, petitioning that body to pass an urgency deficiency bill at the earliest possible moment, and also to petition Congress to provide for the building of a collier or battleship, or both, at the Norfolk Navy Yard.

Hundreds have been laid off recently at the navy yard, not because there is any deficiency in the amount of work needed to be done, but because there is no appropriation under which pay-rolls can be met. The provision to build vessels at the yard is with a view of giving the force a chance to show what can be done at the yards.

The Government's Exhibit.
It is expected that the entire government exhibit at the Jamestown Exposition will be packed and ready for shipment by the close of this week. The work is already in progress and being accomplished rapidly.

The announcement is further made that after being packed the exhibits will probably be retained in the buildings at the Exposition grounds until they are shipped to Seattle, Wash. While it is not definitely determined that the government will participate in the Seattle exposition, it is believed that Congress will act in favor of participation, and that expenses can be saved by leaving the exhibits in the present buildings until they are started on their journey to the West.

At the annual meeting held last night the Norfolk Central Labor Union elected E. W. Gaines president after a hot fight, in which a great deal of feeling was manifested. The other officers were: Vice-President, K. S. Wilson; Recording Secretary, W. R. James; Financial Secretary and Treasurer, L. F. Jordan.

A Youthful Housebreaker.
Edward Creekmore, also known as John Edwards, a seventeen-year-old boy, was to-day arraigned before Police Justice Simmons on seven charges of housebreaking and larceny, on five of which he was charged with being a juvenile delinquent, and on two, constituting housebreaking, he will answer to in the Corporation Court.

On three of the charges Creekmore was given six months' sentences in jail and on two thirty days in jail, making in all twenty months he is to spend in jail. The evidence showed Creekmore to be a dangerous lad at liberty. Only recently he was released from jail, where he served twelve months for housebreaking and larceny, on five of which he was charged with being a juvenile delinquent, and on two, constituting housebreaking, he will answer to in the Corporation Court.

McBride's Trial.
It is probable that H. C. McBride, former sergeant of the Police Department, who is charged with having three living wives, will be tried in Portsmouth, where he married the woman he is now living with.

It seems that the law requires that a man charged with bigamy must be tried in the county where the offense occurred. The two marriages that seem to be bigamous on the face of the certificates did not occur in Norfolk. One occurred in Caroline county and the other in Norfolk county.

McBride will be given a preliminary hearing in this matter in the Police Court. As yet he has not given bail, and is confined in the jail hospital.

AN UNLUCKY FARMER.

Gored by a Bull and Later On Attacked by a Violent Hog.

[Special to The Times-Dispatch.]
DANVILLE, Va., January 14.—J. W. White, farmer, residing in Grove, this county, who several months ago had a narrow escape from being gored to death by a bull, had another frightful experience Sunday, when he was attacked by a large and violent hog, which bit him in several places. Mr. White had been knocked prostrate by the animal, and several farmhands arrived and beat off the porker. He was seriously injured, and brought here to-day for treatment.

DR. PALMER EXPECTED.

Will Visit Lynchburg This Week and Preach Next Sunday.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., January 14.—Dr. Wallace T. Palmer, of New Orleans, who has been called to the pastorate of Westminster Presbyterian Church, is expected to reach the city Thursday morning, and will remain here for several days, during which he will preach at Westminster Church next Sunday, and it is believed that he will announce his decision with reference to the call before returning to his home.

THE COTON FARMS SOLD.

Purchased by New York Man for Fine Stock Farm.

[Special to The Times-Dispatch.]
LEESBURG, Va., January 14.—Dr. Hugh B. Hutchinson, of Herndon, has sold the Cotton farms, containing 1,850 acres, located near Leesburg, to Guthrie Hopkins, a wealthy citizen of New York City.

This property formerly belonged to Senator William M. Stewart, of Nevada, and later to Judge James D. Yeomans, of the Interstate Commerce Commission. It will be converted into a stock farm.

THE HOSPITAL WINS.

Winchester Memorial Hospital Gets Donation of \$2,000.

[Special to The Times-Dispatch.]
WINCHESTER, Va., January 14.—The officers of Winchester Memorial Hospital, against the board of Handley trustees, to compel payment of a \$2,000 fee donated by former City Solicitor Robert M. Ward to the hospital, was decided to-day in the hospital's favor by Judge Thornton, of Alexandria, to whom the case was removed. The Handley board is directed to pay the attorney's fee to the hospital.

SOUTHERN'S POLICY TO CUT OFF AT TOP

Reduction of Salaries of Executive Officers Meets With General Commendation.

WILL MEAN GREAT DEAL

Company Officials Will Not Give Out Figures, but a Few Are Obtained.

[Times-Dispatch Bureau, Washington, D. C., Jan. 14.]
It is impossible to obtain from the management of the Southern Railway the extent to which the order issued yesterday cutting the salaries of general officers and their office forces will reach, nor will the management give the slightest information concerning the amounts which will be deducted from the yearly income of any official or employee affected. The action of the management of the Southern in starting at the top in making reductions is generally commended.

Some of the cuts on the 10 per cent. basis are as follows:
President Finley, salary \$25,000. Reduction amounting to \$2,500.
A. P. Thorne, general counsel, salary \$15,000; reduction \$1,500.
Five vice-presidents, with varying salaries, averaging about \$10,000. Total cut, \$5,000.

The cut in other general officers' salaries will probably reach a total of \$7,000. It is estimated that the total reduction in salaries of general officers alone will reach not far short of \$30,000. This does not include the reductions in the salaries of the office forces of the general offices, including the public are lumped in such a manner that it is impossible to estimate with even approximate accuracy the extent of the reductions, since the management refuses positively to say how far the reductions will extend, and who will be affected.

GENERALLY COMMENDED

Action of the Southern's Management Is Fully Indorsed.

Though the estimated earnings of the Southern Railway for the first week in January show a decrease of \$109,855 over the corresponding week of last year, the record is far better than for the fourth week in December, when the revenue decrease amounted to nearly \$200,000. The improvement in the financial condition, which will become even more marked within the next few weeks, is due to two things, the general reduction in the operating account and the increase in the volume of traffic.

Scaling of Salaries.

More important, however, than any statement issued heretofore by the Southern is the announcement from President Finley that, effective February 1st, there will be a general scaling of salaries paid the general officers and their clerks and employees. Between 1,500 and 2,000 persons will be affected, a fact which is not relished by them, but which is deemed advisable because of the necessity for retrenchment and relief. In cutting the salaries of the high officers, including the president, the vice-presidents and others, the management has determined that the new policy shall not strike men in subordinate positions alone. Even when President Finley declines to charge the reduction in passenger rate laws with responsibility for reducing expenses, the impression that this is the direct cause seems to be the prevailing one, so far as the public is concerned.

Reverberating Talk Unfounded.

Reports that the Southern is considering the proposition of having a receiver appointed to manage its property without any change in the ownership of fact. This rumor has been set at rest in the most emphatic terms by the company, and at the offices of J. Pierpont Morgan & Co. in New York. The action of the management in beginning at the top in reducing expenses is regarded as the wisest course possible. The decision to cut the passenger service, though not causing any serious inconvenience to the public, and the adjustment of the rate question in a number of Southern States, will have a most wholesome effect on the finances of the company.

A FARMER'S TROUBLES.

Tanner's Creek Man Fined for Firing on Melons.

[Special to The Times-Dispatch.]
NORFOLK, Va., January 14.—R. T. Powell, a Tanner's Creek farmer, who fired on small boys caught in the melon patch last summer was found guilty in the Norfolk County Circuit Court to-day and fined \$5. The flying shot entered an apple tree and caused several passengers, but no one was seriously injured.

Norfolk's Banks Sound.

[Special to The Times-Dispatch.]
NORFOLK, Va., January 14.—The directors of the Citizens Bank to-day elected as president, J. B. Flinn, to succeed W. W. Moss, resigned. The National Bank of Commerce, Norfolk National Bank, Bank of Norfolk, Mercantile Bank, Norfolk Bank for Savings and Trust, and Atlantic Trust and Deposit Company, at annual meetings, re-elected the present boards of directors. The officers elected were the following: Officers, Captain, Thomas M. Kennedy; First Lieutenant, Harry R. Brown; Recorder, J. W. Arthur; Treasurer, H. T. Silverthorn.

Acquitted of Robbery Charge.

[Special to The Times-Dispatch.]
LYNCHBURG, Va., January 14.—Mr. L. B. Flinn, who was arrested at his home, No. 61 Oregon Street, several nights ago, on the charge of being implicated in the robbery last September of the store of A. J. Mattox, in Bedford county, was acquitted yesterday after a trial before Justices of the Peace Kirby and Goggins, in Bedford county.

Finn was enabled to prove that at the time of the robbery of the store he was at Evinston.
